Foreword

To present a complete record of the school year at Lincoln High is beyond the scope of the Arrow. We decided that to make the year more vivid to you at present and in years to come, we would catch events as they happened. As you glance through this brief pictorial diary, may many pleasant memories of the numerous events, all of which this book is incapable of holding, be recalled to your minds—the greatest storehouses of the world.

We wanted to make our yearbook seem a tangible living thing, poignant with memories for each of you.

We not only wish to present obvious memories but also recall associated events.

In years to come if this book seems to be a dear friend, seems to be something really tangible and joyful, we, the staff, will certainly feel well rewarded.

SCHOOL BOARD

Behind the students, faculty ,and superintendent is this group of men without which our schools would be a mere nothing. It is this body that hires our efficient instructors, keeps our building up-to-date, and in general provides for our education.

To them we should be deeply grateful for their time which they freely spend out of a sense of civic pride and responsibility.

"You're The One"

"The educated man or woman of the coming generation cannot neglect to study mathematics." In dedicating this 1941 Arrow to you, Miss Gibbs, we wish to stress that quotation. If mathematics could possibly do for the rest of us what it has done for you, we would be indeed thankful.

Your precise manner of speech, neatness of dress, cheerfulness, and manner of presenting the subject have helped many a backward student.

To you, Miss Gibbs, we dedicate our 1941 Arrow, hoping that your future holds the best of everything.

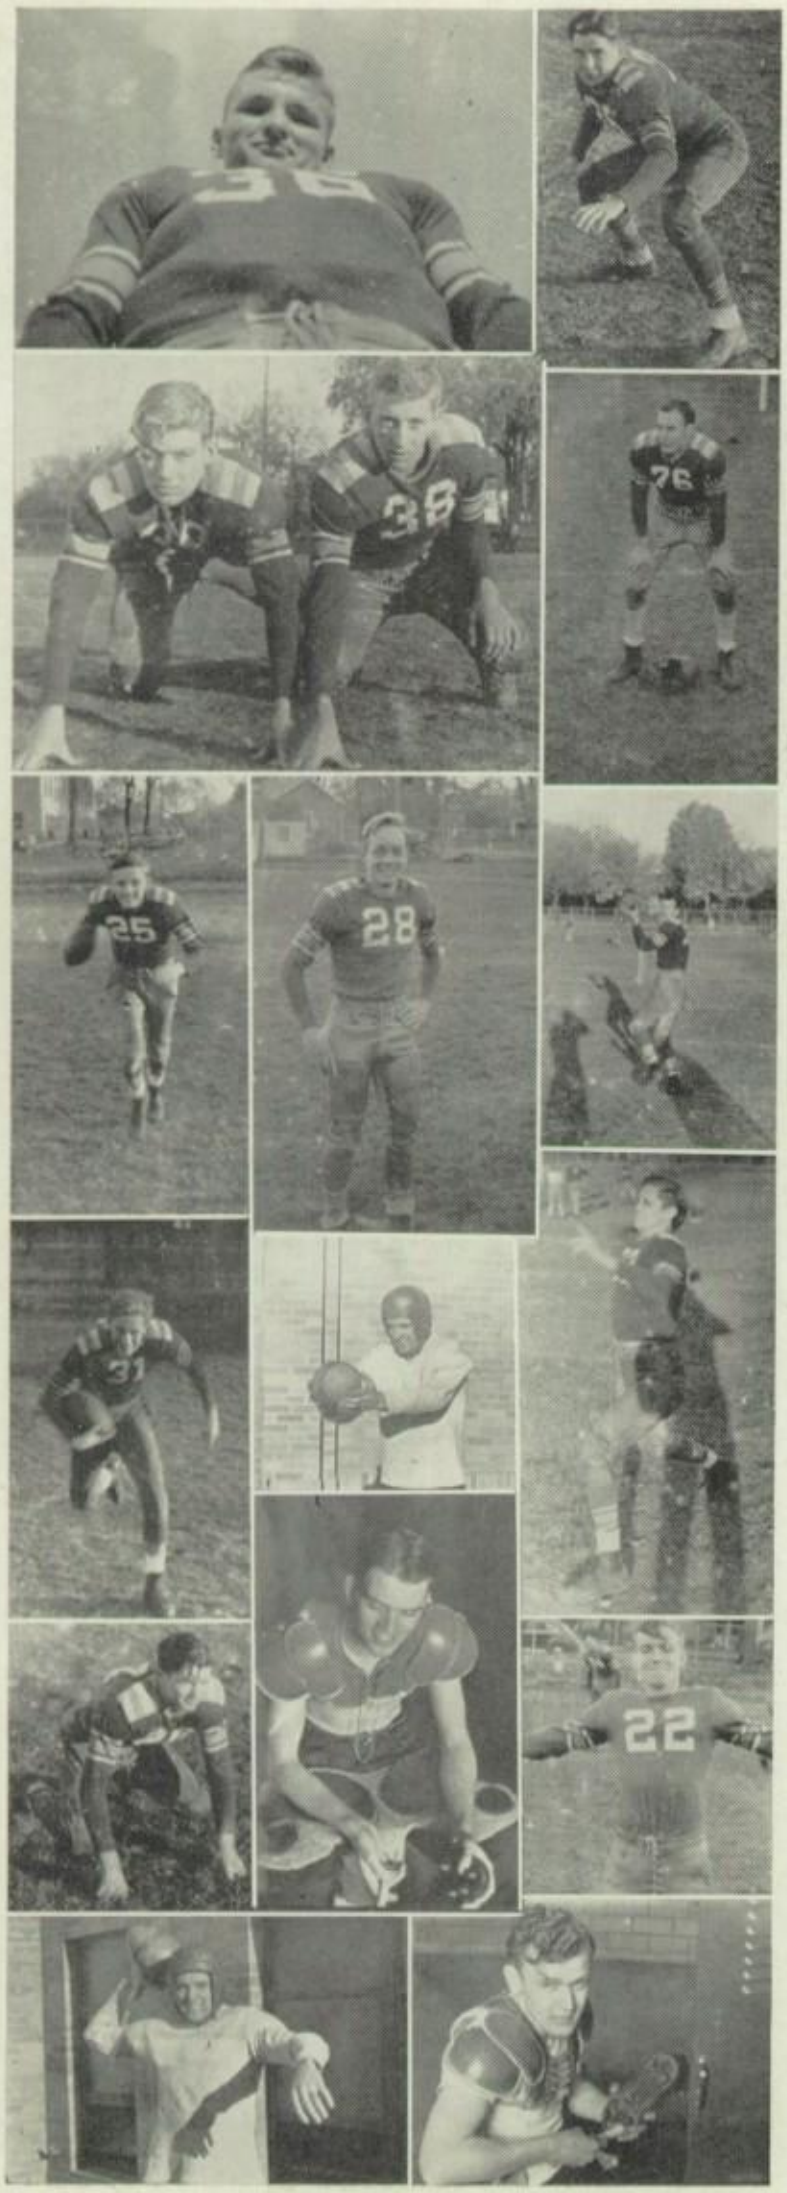
ACTIVITIES



VINTON 19—TRAER 7

Vinton journeyed to Traer for the season opener and trounced the Red Hawks 19 to 7. Fowler scored the first touchdown early in the game on a 65 yard reverse. Thompson and Brubaker each scored a touchdown and Phillis scored an extra point from placement. Hall was outstanding in the line.

VINTON 6—TOLEDO 12

A hard charging Toledo line kept the highly regarded Blue Jay attack in check most of the evening. Toledo made a pair of touchdown drives successful to down the home team. Vinton scored late in the game. One Vinton touchdown was called back because of an offside penalty. King and Mozena helped give a formidable defense.

* VINTON 6—MANCHESTER 25

The Manchester, conference champions, ripped through the Vinton defense four times to humble the Blue Jays 25 to 6. Vinton's touchdown came on an end sweep by Jiggs Davis. The team fought until the final whistle but their efforts were in vain. Russ Brubaker played a fine defensive game.

* VINTON 6—CEDAR FALLS 14.

Vinton took another one on the chin but it was a heartbreaker to lose. The Cedar Falls eleven capitalized on two Vinton fumbles to win 14 to 6. The Vinton team showed plenty of power and gave trouble to their opponents. Vinton's touchdown came on a line plunge by Thompson after a sustained march down the field.

* VINTON 7—MARION 22

Marion may have won but the game was closer than the score indicates. With the score 8 to 7 against them in the final quarter, Vinton tried dseperately to score only to have two passes intercepted and converted into Marion touchdowns. Fowler scored Vinton's touchdown on a 20 yard reverse. Thompson plunged for the extra point.

* VINTON 14—INDEPENDENCE 0

Vinton journeyed to Independence and thoroughly whipped the Indies. Three Vinton touchdowns were called back and so saved the Indies from a complete rout. A stiff defense and well placed punts kept the Indies on their heels most of the evening. Vinton scored first on a pass from Thompson to Berry and Jiggs Davis added another when he spd through the right side of the Independence line.

VINTON 7—TEACHERS HIGH (C. F.) 19

The Teachers High team passed Vinton ragged in the last half to win by a score of 19 to 7. After a scoreless first half the Vinton team seemed listless and just couldn't get started. Vinton's touchdown came on a pass lateral play from Oppelt to Thompson to Fowler. Thompson scored the extra point on a line buck.

Bad weather necessitated the postponement of the annual Vinton-Belle Plaine Armistice Day game.

* Tri-Valley Conference Games.

Marshall Berry, End

"Marsh" is one of the two year letter winners on this year's squad. Because of a serious operation Marsh was unable to play until late in the season but he came through in fine style when he was needed most. He is a Senior who will be missed next year.

Russell Brubaker, Halfback

Russ, a second year letter winner, was the spearhead of our attack. He carried the brunt of the running and passing games and also shared the kicking duties. His hard running and fine passing worried many opponents. A broken collar bone ended Russ's career late in the season. He is a Senior whose place will be hard to fill.

Dick Hall, Tackle

"Pudgy," a Senior and another second year letter winner, was a standout this year. He was a star and leader in the line, and he liked his football rough and tough. "Pudgy" was one co-captain elected by the year's squad and was placed on the All-Conference second team.

Ivan Phillis, Quarterback

"Pud," another Senior who won his second letter this year, was perhaps the most outstanding player on the squad. "Pud", who could and would do anything that was asked of him, was noted for his ability to snag passes. "Pud" was elected as the other co-captain and was placed on the All-Conference first team. A swell season for a swell fellow who will certainly be missed next year.

Don Thompson, Fullback

Don, a Senior who won his second letter, played good football through most of the season. Don shared in the running, passing, and kicking duties as well as backing up the line on defense. Don hit hard on line plunges and was placed on the All-Conference second team. He will probably be missed when next year's season rolls around.

Glenn Davis, Halfback

"Jiggs" might have been small but don't let his size fool you. He was very fast, and once he got into the open field he was hard to bring down. Even though he was small his hard tackles jarred many opposing backs. "Jiggs," a Senior who won his first letter this year, will nevertheless be missed next year as he is the type that is always nice to have around.

Hollis Henkle, Tackle

"Holly" is a Senior who won his first letter this year and in doing so he made a good account of himself. "Holly" liked it best when the going was the toughest and was always willing to pitch in. "Holly" was noted for his good disposition and is the kind a fellow that you like to have on your team.

Bob Wilson, Center

Bob is another Senior who won his first letter this year, but he became an outstanding lineman. A fine defensive as well as offensive center, Bob worked hard at his position and never looked for special recognition. His teammates, however, know that Bob deserves a lot of credit for his outstanding work this year.

John Fowler, Halfback

Johnny, a Junior letter winner, contributed a lot to this year's team. He was well known for his speedy and somewhat spectacular reverses and he also did most of the signal calling, Johnny is the type that plays smart, heads-up football all the time and will be expected to do much next year.

Frank King, Guard

"Frankie" is one of these short, stocky, young fellows who are fast on their feet. Frank handled his position well and not only was he a good blocker on offensive but he was also a good defensive man. "Frankie" was usually at the right place at the right time to do the most good. This Junior will do much to bolster next year's line.

Jack Mozena, End

Jack is another Junior who played a lot of football for us this year. Jack showed a fighting spirit that earned him a place on the first team. Jack always got down fast under punts and frequently nailed opposing backs in their tracks. He will be counted on to come through next year.

Andrew Pettit, End

Andy is a Junior who won his first letter in football. This Junior played lots of good football this year and should make a fine wing man for next year's team. Andy improved greatly as the season progressed and made frequent calls in opponents backfields.

Raimond Struble, Quarterback

Ray, a Sophomore letter winner, is a smart ball player with lots of poise. Ray developed into a good blocker this year and when there was a job to be done Ray was always there to get it done. We can all feel sure that Ray will do big things in the next two years. Good luck, Ray!

Gordon Kunz, Tackle

"Windy," a Freshman, mind you, was the big boy of this year's squad and is as good a sport as you will find anywhere. You could always find Windy where the going was toughest. Windy handled his assignments well and is a boy who will mind watching around V. H. S. the next few years.

VOLLEY BALL

The volleyball season was especially interesting this year with the Juniors beating the Seniors in a close tournament game. The volleyball chairman was Elizabeth Jack. With the assistance of Miss Spinden, we had a good season. The Juniors won and the Seniors were second, the Sophomores were third, and the Freshmen came in with a fourth.

"THE EYES OF TLALOC"

In John Wayne's (Bob Wilson) ranch house in Southern California hangs a large and vivid mural painting of the Aztec God, Tlaloc. The malicious eyes of the hideous creature gleam through the shadows. Outside, an equinoctial storm rages with wind, rain, and lightning. Amanda and Ezra (Phyllis Kubik and Wayne Hall, respectively), furtive old caretakers of the place, admit one after another of the strange group of people who are to enact a drama within the walls of the mysterious house.

They arrive in quick succession: the suave "Professor" (Marshall Berry); Tommy Tinker (Dick Hall), a shrewd and engaging young man posing as a prize fighter; Nancy Howe (Pat Shoquist), the very nice-looking niece of the ranch owner, with her friends, Pat (Faye Gaddy) and Virginia (Kathryn Rowe) who comes from the south; Nawa (Russell Brubaker), a sinister Indian; Pudge (Boyd Gunn), a sage-brush taxi driver; Salvador del Santos (Bob Shotwell), a fiery Mexican gentleman, and Pepita (Pat Tobin), his volatile sister. But where is John Wayne, the master of the house? Nawa makes the ominous pronouncement, "Mist' Wayne go on long journey. Tlaloc pay back! Tlaloc remember!"

There were thrills, surprises, fun, and plenty of action in the working out of the mystery. The play offered fascinating characterizations, an engrossing plot, good comedy—and mystery that is decidedly off the beaten trail.

The operetta "Shooting Stars" was presented by the Vinton High Glee Clubs on January 31.

The celebration of the Fifteenth Anniversary Sale of Frazier's Five and Ten Cent Store is thrown into confusion by the mysterious disappearance of various articles which have been specially advertised for the sale.

Mr. Frazier on the advice of his daughter, Shirley, decides to hire a detective to track down the thieves. Shirley arranges matters so that the detective is none other than Bill Maxfield, a likable young man who has incurred Frazier's animosity through his tendency for practical joking. In essaying the role of detective in disquise, Bill gets into one scrape after another. Finally, just when it appears that there is no way out of his difficulties, a lazy porter, a bear trap, and an important little man with a megaphone brings about a happy solution to his troubles.

STUDENT COUNCIL

Student Council is five years old this year! Yes, we're really growing up! It is the representatives of the student body that contacts the faculty. Planned activities of the classes or other student groups are under its supervision. In addition, it originates other activities of its own.

Members of the Council have no misguided view of their own importance. They realize that they are only representatives chosen by their classes and they are anxious to make the council serve the students.

During the 1940-1941 school year, the council has had Marie Mahood as President, and Patricia Tobin as Secretary and Treasurer.

Sponsored by our principal, Mr. Etka, we have this year tried to make the council an efficient and active representative of the students, and have put on a number of activities: the reorganization of honor society, and sponsoring of high school dances. The council also purchased the National Honor Society pins and donated money, which they earned from various projects, to the track team.

Yes, the Council is a worthwhile organization! You see, it's you students that make it so!

LIBRARY CLASS

Emerson wrote, "It is a tie between men to have read the same book," but it is also a tie between girls to have tended the same library. Besides trying to keep track of the current papers and magazines, these girls help the students find needed information and check out books.

The class is under the able guidance of Mrs. Luckey. Also under her direction the girls are making an entirely new cataloging of the library, to allow for some old discarded books, and some recently purchased books.

The girls also act as ushers at school functions, such as plays, concerts, and various other things.

NORMAL TRAINING

The Normal Training Club is a group of prospective teachers. They discuss who will be the lucky one to teach Miss Stanley's English or another grade teacher who is absent. For some of our meetings, we go on a splurge, and for a guest speaker we have Miss Ella Mealhouse; if no speaker, we come with curlers on our hair; and from time to time we have a picnic and dispense with all frivolities, seeking nature in our slacks.

Miss Knipfer, our enterprising sponsor, leads our hikes, tells us of the problems of our practice teaching, guides us and keeps us working on Johnny Jones who has a speech impediment retarding his progress in reading. She is the one who prepares us for those state tests, which every one so thoroughly dreads. But by the way V. N. T. C. came out the highest in the state tests given in January. We work hard and we play hard which makes each one of us a good citizen.

"Lets Have Another One"

Throughout the year, two sets of one-act plays were given. Three plays were given at each group. In order for Miss Stanley, the director, to choose a cast for the Contest Play, she gave these six one-act plays to obtain a good cast, each of the members of the plays being rated according to acting ability.

In the first group of plays was the fantasy "The Lost Kiss." The players portraying characters were Lee Linson as Pierrot, Catherine Conder as Pierrette, Virginia Harper as the Kiss, Bob Baldridge as the Man, Dale Fry as the Policeman, Harvey Wyckoff as the boy, Marion Waldorf as the girl, Jean Skea, as Grandma, Lloyd Lyons as newsboy, and Jean Shotwell as the Maiden Lady.

Another play in the first group was the comedy "Yours and Mine." Lenore Crew played the part of Kathryn, the wife, Bob Shotwell as James, the husband, Jack Milroy as Dad Flowers, Earlene Miller as Mrs. Hopper.

The last play in the first group was the drama "Two Hundred Riders." Suzanne McLean played Granny; Oren Taylor, Clem; Ruth Shoquist, Ann; Betty Aten, Mrs. Tracy; Dean Hoefle, Pan Flintridge; Dorothy Williams, Maw Flintridge; Bill Hopper, Sam Tracy; Keith Carlton, Don Cardress.

In the second group of plays, "A Mayor for a Day," a comedy, was the first play given. Mary Wyckoff played Joan Alden, the city attorney; Dorothy Williams, as Mrs. Meeks; Don Winsor, Tom Adams, the boy mayor; Bob Clime, S. J. Smugg; Phylis Kubik, Flossie; Dean Carlson, Mayor Fuddy; Lee Linson, Ken Curtis; Kathryn Rowe, Sunshine Sal; Boyd Gunn, Sourpuss Slick; Dick Anderson, Shut-Eye Sly; Virginia Kohl, Mrs. Fity-Jones; Marybeth Hartman, Kay Curtis; three extras were Catherine Conder, Lloyd Lyons, and Florence Campbell.

The second play was "Gold Feathers,' a drama. Tom Reed played Lieut. Mahan; Bob Shotwell, Johnson; Bill Hopper, Eddie; Oda Poorman, Bill; Oren Taylor, Burt.

The last play was "A Vane Effort"—Norma Brewer as Lucille; Lois Davis, Cynthia; Irvin Parry, Charles; Margaret McAtee, Virginia; Jack Milroy, Bud K.; Mary St. Clair, Mrs. Vane; Jack Brubaker, David K.

Contest Play

The Contest Play was chosen by Miss Marion Stanley. It was a comedy entitled "The Early Worm." She chose a cast from the people who had participated in the one-act plays. The leading role of Hector was played by Harvey Wyckoff. Ruth Shoquist played his sister, Mamie. The guest from England was portrayed by Lois Davis. Jeanne Shotwell played Della, the housekeeper. Two friends, Dopey and Jack Reed were played by Bob Shotwell and Oren Taylor respectively. On the 22nd of April, the cast went to Iowa City, gave the play with other plays competing against them. At Iowa City they received the excellent rating given. In fact, they missed a superior rating by 1.4 points.

"Just A Little Bit Of Green"

"Open the doors, we want in," was the cry of the ninety-two bewildered freshmen beginning their career in the halls of V. H. S. ACTIVITIES

Ivan Phillis, Forward

Ivan, a Senior who earned his second letter this year, played some very outstanding basketball. "Pud" worked hard in basketball and always did more than his share. "Pud" was runner-up in scoring this year and was the third high scorer in the conference.

John Worthen, Center

"Hoot" is one of these quiet, unselfish, sort of fellows who was always willing to go out of his way to help somebody else. He always came through when the going was tough and always did his best. "Hoot" won his first letter this year and was elected captain for the 40-41 season.

Russ Brubaker, Guard

"Russ" was always right in the midst of things and never let down until the final whistle. He was a fast and clever defensive man and a good ball handler as well. He was best noted for his long set shots that frequently split the net. This Senior will be missed next year.

Don Thompson, Guard

Don is another Senior who won his first basketball letter this year. A rangy, defensive man, he proved to be a rebound artist of no small value. He always contributed his share to the floor game and will probably be missed when next year's season rolls around.

John Fowler, Forward

Johnny, a Junior who won his second letter this year, was the spark plug of the outfit. His spectacular shots and brilliant floor play brought many a spectator to his feet. Johnny set a new Tri-Valley Conference scoring record this year and was placed on the All-Conference first team. As well as being the leading scorer he was also free throw champion of this year's squad.

Raimond Struble, Guard

This Sophomore letter winner always came through when he was needed most. He is known for his poise and coolness under fire. Ray has all the characteristics of a good ball player and is expected to be a standout in the two years to come.

BASKETBALL

At last, after four years of hard basketball, the Senior girls finally won the basketball trophy by beating the Juniors in a very close game. However, the Juniors did beat the Seniors in an exhibition game this year. The Freshmen came on the floor with an especially good team; they almost beat the Sophomores in a good, clean game. The final rating on the basketball teams were: 1st, Seniors; 2nd, Juniors; 3rd, Sophomores; 4th, Freshmen.

Dorothy Schoonover was the basketball chairman. Miss Spinden worked hard on all four of the teams and made it more interesting throughout the season.

The basketball girls sent a team to La Porte this year to play their girls team. This is the first time the girls have played outside competition.

JUNIOR CLASS PLAY

The Juniors showed so much interest in their play this year that it was decided to have a double cast and have a different cast perform each night. They chose the comedy mirthquake, "Sonny-Jane." Marie Mahood and Patricia Shoquist played the title-role. The story centers around the revenge a young newspaper girl plans to get on three of her enemies who wish to ruin her newspaper business. Matters are complicated when the men find out Sonny-Jane is so charming and eligible.

The comedy element was provided by Pansy, the hired girl, played by Dorothy Mackie and Joan Elson, and by Jo, Boyd Gunn. Dean Hoefle as Sam scored quite a hit with his character interpretation.

The Juniors enjoyed putting on the play, especially when the night of dress rehearsal Hazel Mahurin appeared on the scene wearing a hat that made her look slightly like a gun moll, although a most charming one.

Since this was the first class play, the Juniors were very anxious about the success of the production. The advance ticket sale was unusually large, but the weather conditions were decidedly unfavorable, limiting the audience considerably.

P & G Editor for '42 Elected

1915-1932 Are Historical Dates for V. H. S. Publication

In rummaging through the dusty "Arrows" stacked in Mr. Etka's office we found some interesting bits of history about VHS's publications.

The grandfather (that we found) of the Arrows was edited in 1915. At that time the Arrow was published five times a year and printed at the Times Office. In 1920 up to the present time they have been coming out as the year book.

The first Vinton High School newspaper was published under the name of "The Chronicle." Various names have been used since that time but for the past nine years the name of "Purple and Gold" has been used.

P. & G. Scores Hit in '41

This year "Your Periodical Companion" has had more to offer to its readers than just the latest scoops around school. It was especially active in introducing the Freshmen to the high lights of high school life. For the rest of the V. H. S. fun-makers, they originated W. P. A. (Women Pay All) Week. In addition to these lively activities, the staff was host to all jive-crazed rugcutters at a dance. Credit also goes to the staff for their initiative in being among the first to present an assembly program. As another one of its commendable qualities, honorable mention is given to the spirit they inspired in the various activities through its encouraging editorials.

Student Council Elects P. & G. Editor and Assistants for Next Year

The Purple and Gold editor and her two assistant editors for 1942 are: Dorthy Thompson, editor; Faye Gaddy, Junior class assistant; and KaDel Urice, Sophomore class assistant.

The Student Council elected Dorthy, Faye and KaDel on the value of their work, cooperativeness and other merits that determine a good reporter.

During the next year the Student Council will elect a Sophomore assistant editor as Faye and KaDel are moved up to Editor and Junior class assistant respectively, providing that their work has been such as to merit this promotion.

ANNUAL STAFF

Hoping to contact the entire school, the staff members sold annuals as well as the annual salesmen.

In addition to the sales we financed the book by the sale of class pins, and by sponsoring a Senior Benefit Show, a school dance, and a vaudeville show. This year an extensive campaign aided students in making payments.

Although it has taken much time and hard work, we have all enjoyed doing our part in editing this 1941 "Arrow."

"We Could Make Such Beautiful Music Together"

Tuba Solo:

Although Dick Anderson has two more years in which to compete in contests, he came out on "top" this year with a Division I rating at the State Contest. His selection for a solo was "His Majesty, The Tuba" by Robert Dowling. Good luck in the coming years, "Andy."

Baritone Solo:

John Kelley, with his beautiful tone on his baritone horn, received a Superior rating at the State Contest held at Waverly. "Stars In a Velvety Sky" by Herbert L. Clarke was his choice for a solo.

Girls' Trio:

The Girls' Trio, composed of the "Three D's"—Margie Davis, Bernice Davin, and Lois Davis, has entertained many audiences this year. Entering District Contest, they received a Division II rating.

Soprano Solo:

No voice in Vinton High School has ever thrilled the public so much as Beverly Hale's soprano voice! Beverly kept her voice from us last year, but brought it out serging to the lead in the school operetta, in many small groups, and in her solo numbers. She won a Division I rating at the District; a Division II at the State Contest with her selections: "Oh, Had I Jubal's Lyre" by Handel, and "Dawn" by Curran.

Baritone Solo:

Another voice which has been outstanding in school this year is Dick Hall's baritone voice. He sang the leading role opposite Beverly Hale in the school operetta. Entering contest, he received a Division II rating at Waverly. His selections were "Water Boy" by Robinsin, and "My Lively Celia" by Munro.

Sextet:

Lincoln High's Girls' Sextet, composed of Beverly Hale, Jeanne Shotwell, Patricia Tobin, Ruth Shoquist, Kathryn Rowe, and Dorothy Rowe, received very high honors this year by receiving a Division I rating at both the District and State Contests. The girls have enjoyed singing at many school and non-school activities this year. Their selections for contest were "A Spirit Flower" by Campbell-Tipton, and "Let All My Life Be Music" by Charles Gilbert Spross.

Mixed Quartet:

This group chosen late in the year is composed of Beverly Hale, Kathryn Rowe, Dick Hall, and Marshall Berry. Singing "The Green Cathedral" by Hahn and "The Lord Bless You and Keep You" by Lutkin, they entered the District Contest and received a Division II rating.

Madrigal Group:

The Madrigal Group originated in the Vinton High School last year and has been a very outstanding group, winning a Division I rating at the State Contest for two consecutive years. Composed of sixteen members, they sang "Matona" by Lassers, and "Hard By A Fountain" by Waelrant.

Clarinet Soloist:

Maxine Braginton, a great help to the Vinton High School Band, chose as her clarinet solo this year "One Moment Remote" by E. S. Thornton. She received a Division I rating at the District Contest and a Division II rating at the State Contest.

PEP CLUB

Come on gang, let's go!! That's our motto. We represent the spirit of V. H. S. We have been given the honorary title "The Pep Club."

With the aid of sixteen husky students and a most popular sponsor, Mr. Overgaard, we have played our part well in this prosperous year of 1940-1941. Our officers for this year were:President, Patricia Shoquist; Vice President, Dorothy Rowe; Secretary, Elizabeth Jack.

This year we have monopolized the originality of V. H. S. We have developed a group of writers, actors, and actresses. Some side-splitting skits have been presented and some wonderful talent has been shown by the bright and shining stars of V. H. S.

Our skits have all been along the line of pep. We have done a little "horse play" in which we defended our team. We amputated de-feat so that we might win all our games. Superior acting was revealed when Gale Wienands portrayed the character of "Farmer Moffitt," (Coach Moffitt.)

We still have plenty of that originality in store for the V. H. S. actors, actresses, and play producers of 1941-1942. Here's hoping you'll produce bigger and better skits in your Pep Club next year.

Come on gang, let's go ! !

THE "V" CLUB

The "V" club is an organization made up of boys who have been awarded a major letter in any of the four major sports: football, basketball, track and golf. Although membership is not required, it is generally desired by all athletes of this school to become members in good standing with the club.

This year a new constitution was drawn up and is now the foundation of our club. We elected Marshall Berry president for this year. Russell Brubaker was elected Vice President, and Dick Hall was elected Secretary-Treasurer.

Among the varied activities of the club is an annual "V" club dance. At this dance the club presents the girl which they themselves elect as their sports queen for the year. This year's queen is Marie Mahood.

We have had two able sponsors this year in Mr. Cameron and Mr. Moffitt.

G. A. V.

The Girls' Athletic "V" Club of Vinton High, under the sponsorship of Miss Spinden, is open to every high school girl. Its purpose is to create an interest in girls' athletics and to furnish an opportunity for recreational activities, to have fun and to become acquainted with other girls in the school. They find in it a source of friendship and good fellowship. It encourages the qualities of sportsmanship, generosity, and cooperation, as well as serving as an emotional outlet.

Two hundred and fifty points are required for membership. These points may be earned by participating in the following activities: basketball, volleyball, kittenball, tennis, and hiking. The girls are not admitted to active membership until the end of the Sophomore year.

The high-lights of the group activities are their Christmas Alumni Dance, their monthly G. A. V. teas, and the banquet in the spring at which time they have the installation of the president and the presentation of awards. Other activities are breakfasts, pot luck suppers, picnics, and parties. Meetings are held the first and third Mondays of every month.

Officers of the organization are: President, Kathryn Rowe; Vice President, Patricia Shoquist; Secretary and Treasurer, Elizabeth Jack. The Vice President is always a Junior and the following year fills the vacancy of the Senior President.

JUNIORS

Ah! At last we are members of the group known as the upper classmen. That is how we all felt as we enrolled in September. Not so very long after enrollment came the serious task of electing class officers. This honor was bestowed upon Dorris Hayes, President; Marie Mahood, Vice President; Gale Wienands, Secretary; and Robert Taschner, Treasurer.

There will be no food worries at the Annual Junior-Senior Banquet this year, for every business venture we have delved into has been a tremendous success. On November 15, we held the Junior Carnival. Before Christmas we sold more Christmas cards than our greatest expectations had hoped to accomplish. Then to round it all off there was a fine attendance at both performances of "Sonny Jane" the Junior Class Play.

The Juniors have in BAND: Merle Chalupsky, Mary Hensing, Millie Kimm, Ralph Lilja, Wyla Notbohm, Tommy Reisser, Ruth Richardson, Shirley Rogers, Patricia Shoquist, Robert Shotwell, John St. Clair, Patricia Tobin.

We will be proud as we advance on to the throne of stately Seniors, but there will be some sorrow when we view the fact that we shall never be Juniors again in dear old V. H. S.

This is dedicated to all of those who pass through the halls and classrooms of Lincoln High School.

There is no monument that can be erected to the memory of a man equal to that monument which he has built for himself during his lifetime. A block of stone no matter how great is insignificant indeed beside the effect of the impressions created upon people about it. Deeds live and their impact upon sensitive beings leave an impression of indiscernible proportion. Markers exist merely to indicate that at some past time a living personality existed making his impressions either good or bad upon those about him. Therefore, if I had the power to determine what boys and girls should gain from our high school I would list first of all a sound character built upon the teachings of Christ and dedicated to the highest ideals of mankind.

VOCATIONAL AGRICULTURE

Vocational Agriculture is offered to give farm boys and others interested in Agriculture an opportunity to obtain the training necessary to meet agricultural problems. It tends to stimulate an interest in agriculture, develop rural leadership, and teach the highest type of agriculture.

The school work is arranged so that freshmen take farm mechanics, sophomores take animal husbandry, and junior and senior boys work together and alternate farm crops and farm management. A supervised practice program is carried by each of the boys enrolled.

In addition to the regular work an extra-curricular activity (Future Farmers of America) is also sponsored by the department. The major purpose of the organization is to develop farm boys to be competent leaders in rural life. All boys enrolled in vocational agriculture are eligible for membership in the organization.

Benton County Grain, Egg, and Poultry Show

The thirteenth annual Benton County Grain, Egg, and Poultry Show was held the fifth, sixth, and seventh of February. The show was a great success due to the large number of entries and the very favorable weather.

The show secretary was Junior Baum and the assistant secretaries were Wallace Markland and George Thiher. There were five senior and three junior boys acting as superintendents of the various departments.

Wednesday, February fifth, was entry day with 445 birds, 74 dozen eggs, 350 samples of commercial grain, 70 samples of show oats, soybeans and hay, and 850 ears of show corn being put on display. On Thursday, the sixth, all entries were judged. The program given on Thursday evening was well attended with Mr. J. S. Russell, of the Des Moines Tribune, and Mr. David Dancer giving very interesting speeches.

On Friday 21 schools were represented in the grain and poultry judging contests held in connection with the show. On Friday evening the audience was entertained by a rope trick artist, formerly of WHO Barn Dance Frolic and by Maurice the Marvel, a magician. The premiums were paid on Friday evening and on Saturday; all entries were removed from the show on Saturday

ACTIVITIES

1941 TRACK SEASON

STATE INDOOR

The Vinton track team made a good showing at the State Indoor meet which was held in the University of Iowa field house in Iowa City. Ivan Phillis was a standout in setting a new class B pole vault record by clearing the bar at 11 ft. 5¾ inches. Gale Wienands placed third in the pole vault, Kenny Duncan placed in the half mile, Andy Pettit placed in the 440 yard dash and the high jump, Don Thompson placed third in the shot put to complete the Vinton scoring.

Vinton 75—Traer 33

Vinton's track team swept past Traer by winning a majority of first places. Performing on their own track they scored heavily in the field events and more than took care of themselves on the track. Don Thompson and Gale Wienands were Vinton's leading scorers.

Mechanicsville Relays

Close to twenty schools competed in the annual Mechanicsville relays and we placed 5th in the final standings. Don Thompson scored firsts in the javelin and shot put and third in the discus. Gale Wienands tied for third in the pole vault and placed second in the broad jump.

Cedar Falls Relays

Vinton's track team journeyed to Cedar Falls to compete in the annual T. C. Relays and manged to make a favorable showing. Our 440 relay team placed third, Raimond Struble tied for 4th in the pole vault, and Don Thompson placed 3rd in the javelin throw.

Cedar Falls Dual

Cedar Falls High invaded Vinton and won a victory over us in a dual meet. The visitors managed to score in almost every event and won more than their share of firsts. The meet, however, was close all the way. A new V. H. S. shot put record was set by Don Thompson with a heave of 46 feet 10 inches.

Vinton 65—Marion 53

Vinton won its second dual meet of the year by defeating Marion 65 to 53. Scoring firsts in the field events and placing in the running events, the home team gathered enough points for victory. Fowler, Wienands, and Thompson led the scorers. A new V. H. S. javelin record was set by Thompson who tossed the spear 169 feet 6 inches.

Tri-Valley Conference

Vinton placed third behind Wilson of C. R. and Cedar Falls in a meet held at the Teachers College track in Cedar Falls. Vinton made a surprising accomplishment in placing first in all the field events but couldn't manage to score much on the track. Fowler, Wienands, Struble, and Thompson were heavy scorers for Vinton.

Vinton 46½—U. High (Iowa City) 80½

U. High brought a well balanced squad of runners to Vinton and humbled the home team in a dual meet. While Vinton won firsts in all the field events, U. High won firsts in all the running events to more than balance the score. Vinton's usual quartet of scorers again made the majority of our points.

DISTRICT MEET

Vinton journeyed to Davenport to compete in the State District track meet. All four boys who made the trip qualified for the State Meet to be held in Ames on May 24. Raimond Struble tied for first in the pole vault, John Fowler and Gale Wienands tied for third in the broad jump and Don Thompson placed second in the javelin throw and third in the shot put.

"It's The Little Things That Count"

Commercial

Vinton was well represented at Springville from the Commercial classes of Vinton High. Both Junior and Senior Commercial students participated in the Shorthand and Typing events. The Vinton team got a second place. People, as a whole, are taking more interest in this contest each year, thus making it an annual event.

Debate

The Debate team participated in a mild row at Iowa City this past year. Not seeing very much activity this year, they weren't seen in as many towns as our debate team has been previously.

Declamatory

This year we had only one entry in the oratorical department. She was Faye Gaddy with the selection "We Have Not Forgotten." There were no humorous contestants.

There were seven entries in the dramatic division. These consist of: Wyla Notbohm giving "Mickey's Marsher"; Ruth Skoog, "Bobby Shaftoe"; Elberta Lutz, "White Lilacs"; Dorothy Shotwell, "Grim Girl"; Betty Shotwell, "Daddy Doc"; and Millie Kimm, "Bobby Shaftoe". The girls held an elimination contest among themselves and chose Betty Shotwell to represent Vinton. Betty received "Superior" in the first round of the state and a "good" rating in the second. Faye Gaddy, naturally, represented Vinton in the oratorical division with her selection. She was rated "excellent" in the first round of the state contest. This was Faye's first year in declamatory work.

Speech Festival

Three others besides those appearing in the picture, participated in the Speech Festival held at Waterloo. They were Dean Hoefle, Lenore Crew, and Dorris Hayes. Several events were entered by these students which resulted in their bringing home a few of the honors.

2nd Row—D. Kelly, D. Anderson, W. Kelly, B. Hopper, D. Lane, L. Oppelt, D. Fry, D. Carlson, Coach Arlo Woods.

BASEBALL

Baseball has been organized as a part of the athletic program again this year. Since it has not been a Vinton sport for several years the boys are greatly in need of practice. Not being an interscholastic sport, Coach Woods is drilling the team in its fundamentals. The whole squad is enthusiastic about it and hope to make it a major sport next year.

1st Row—M. Kruse, W. Schoonover, B. Dixon.

2nd Row—L. Crew, R. Brubaker, J. Smittkamp, G. Reed.

3rd Row—J. Brubaker, Manager E. Montgomery.

GOLF

Although they lost the first game of the season to Marion 10-2, the Vinton golf team bounced back to defeat Cedar Falls High by a score of 10½ to 1½. Glenn Reed, Junior star, was medalist against Marion and tied for that honor with Cedar Falls. Several games remain on the schedule.

"Seventeen" (Almost Eighteen)

1st Row—K. Rowe, M. Wyckoff, D. Rowe, R. Shoquist, L. Crew.
2nd Row—J. Kelley, J. Shotwell, R. Brubaker, M. Berry, D. Hall.
Absent: Mary St. Clair, Jack Milroy.

SENIOR CLASS PLAY

The cast for the Senior Class Play, "Almost Eighteen," was chosen by Miss Mouw, our director. Rehearsals started the middle of April with everyone taking a great deal of interest in the play. Heading the cast of twelve are Ruth Shoquist, as Eddie's young love, and Dick Hall, who plays the part of Eddie Barry, the boy who wants to be another Bing Crosby. John Kelley, as Uncle George, who has a new philosophy for working as little as possible, and Kathryn Rowe, Eddie's mother, furnish some of the rollicking laughter. Other members of the cast include Marshall Berry, as a good father and husband, who knows life is a serious business; its transactions are to be handled squarely, but gruffly. Jeanne Shotwell plays Beatrice Barry, Eddie's sister. Mabel Warren is played by Dorothy Rowe who gives one the feeling that some male missed a good wife.

Mary St. Clair as Mrs. Granville carries the domineering air of a society lady. Mary Wyckoff as Sally Davidson creates the jealous angle of the play. Russell Brubaker portrays Tommy Granville who is dominated by his mother yet he gives one the feeling that he will soon mold his own ideas, Mr. Merritt, the professor, very aptly done by Jack Milroy. Lenore Crew, although smartly dressed, somehow, conveys the air of spinsterhood, as Miss Dalrymple.

The entire cast contributed hours of faithful application to this charming play, which dealt with every-day happenings that might have occurred in your own home or your neighbors. The play was heartily received with both tears and laughter.

NATIONAL HONOR SOCIETY

Last year from the Junior class Jean Urice, Dora Jean Remington, Donald Thompson, and Harold Stahr were chosen to carry out the organization's work this year.

In order to increase the popularity and significance of the National Honor Society the pins and diplomas were presented to this year's members at an assembly program on February 14. At this assembly the qualifications which a National Honor Society student must meet were elaborated upon. Certain grade requirements must be accompanied by a character that upholds the principles of morality and ethics. In leadership we expect you to be a leader in school activities and accept responsibilities. Be willing to serve and represent your school in the best possible manner.

The Seniors that we officially installed were: Mary St. Clair, Jack Milroy, Elizabeth Jack, Elinor Hart, Herbert Lindahl, Beverly Hale, and Dick Hall. To Marie Mahood, Patricia Tobin, Patricia Shoquist, and Dorris Hayes was given the work of carrying on next year.

This year our Society adopted the name Sigma Lambda Gamma, and is very proud of the students that have achieved this high honor.

Who claims this?—Going to Good Friday services—It looks like Howard Jr. is scared of that big pooch—We, three—Vinton High was well represented——Pals—Now I can finish that story, thanks to the fire drill—You see it's this way, Millie.

GIRLS' GLEE CLUB

The Girls' Glee Club is an extra-curricular activity which the high school girls enjoy immensely, not only for the enjoyment which they receive from it, but also for the education which they receive. Miss Freerksen, the vocal music teacher, has devoted her time to teaching the girls better ways of singing which they will retain for years.

The Girls' Glee Club started out the year by electing its officers: President, Ruth Shoquist; Secretary and Treasurer, Beverly Hale; Social Chairman, Kathryn Rowe. Thus organized, they put on a school dance in December in order to raise funds for the coming Music Contest.

After producing the school operetta, work was started on "A Snow Legend" by Joseph W. Clokey, "Clouds" by Ernest Charles, and "Griddle Cakes" an A Cappella Ukranian Folk song. These were the three selections that were chosen for contest. That hard work was greatly rewarded by the groups' receiving a Division I rating at both the District and State Contests. After having such a wonderful year, the girls celebrated their success by having a Glee Club Banquet at the end of the year.

BAND

After returning from a glorious week at Clear Lake, the band came back to school this year ready to enjoy a splendid year. Starting out by organizing they selected as President, Bob Wilson; Vice President, Harold Stahr; Secretary and Treasurer, Patricia Tobin; and Business Manager, Ruth Shoquist.

The band has entertained many audiences this year. The Pep Band has always taken part in the pep meetings and at basketball games and in that way has contributed to the "school spirit." A group of the students organized a school orchestra under the leadership of Dick Anderson and played at such school dances as the "Freshman Dance" and the "Woodchopper's Stomp."

Concerts have been given by the band for the high school students and the public.

Mr. Miller, who came to Vinton in the middle of last year, will leave us at the end of this year for the army, but we hope not for long.

The band entered contest this year playing a choral "Finlandia" by J. Sibelius and "'Symphony No. I in E Flat" by Camille Saint-Saens. Receiving a Division I rating at the District Contest, the band went to Waverly where they received a Division II rating.

"Let's All Sing Together"

MIXED CHORUS

When the boys and girls got together to blend their voices they found it much more interesting and enjoyable. So from this organization many small groups have originated such as the Boys' Quartet, Mixed Quartet, and Madrigal.

The Mixed Chorus entered Contest this year, singing "Adoramus Te" by Palestrina and "Rejoice and Merry Be" by Bantniansky. This group was very individual in these selections in that they are both a cappella. They succeeded in receiving a Division I rating at the District Contest and, going on to the State Contest; they received a Division I rating there.

The Vocal Department has become a great success this year. This will inspire us all to go ahead next year and come out again winning top honors and having fun doing it.

Good luck to you!
